4. Senior Secondary Subject Opinion Survey for Secondary Three Students (Applicable to S.3)

Our school offers three subject groups in the Senior Secondary curriculum, including Category A Elective Subjects for HKDSE and Category B Applied Learning Subjects. To provide suitable subjects and instructional languages for your child's Senior Secondary studies, our school is organizing a Senior Secondary Subject Opinion Survey for our Secondary Three students (who will be in S4 in the 2026-27 academic year).

This survey aims to improve the articulation and adjustment process, allowing your child sufficient time to prepare for the new Senior Secondary Curriculum, better grasp the assessment requirements of each subject, and strive for ideal results.

We kindly ask parents to discuss this with your child and complete the Intentions Survey Form (distributed by the class teacher) based on your child's Chinese and English proficiency, relevant subject results (e.g., by reviewing performance in the First Term Uniform Test), and interest in the subjects. Please ask your child to submit the completed form to the class teacher for collection on or before 9th December (Tue).

After receiving the opinions, the school will determine the most suitable arrangements based on students' English proficiency, relevant subject results, and the number of students applying for each subject, and will announce the details later.

Should you have any enquiries, please contact Ms. Chan, the Vice Principal
