Dear Parents/Guardians,

1. Department of Health: The Primary Dental Co-care Pilot Scheme for Adolescents (PDCC) (Applicable to S.1)

The details and registration form for the programme have been distributed to Secondary One students. Parents are requested to read the programme content carefully.

The Department of Health is launching the Primary Dental Co-care Pilot Scheme for Adolescents (PDCC). PDCC guides adolescents to foster long-term relationship with private dentists or dentists of NGOs by subsidising part of the cost of dental check-up, so as to promote their life-long habit of regular dental check-ups for prevention of dental diseases. Target Beneficiaries as shown below:

- ✧ Adolescents aged 13 to 17 (or will turn 13 in the year of application for the Pilot Scheme)
- ✧ Holds a valid Hong Kong Identity Card
- ✧ Has joined (eHealth)

Eligible adolescents can receive one subsidised service per calendar year. The government provides a \$200 subsidy to the dentist for each service, while participants must pay the co-payment amount determined by their chosen dentist participating in the Pilot Scheme. The government's suggested co-payment amount for each subsidised service is \$200.

The subsidised dental services under the Pilot Scheme include:

- ✧ Dental check-ups
- ✧ Oral health risk assessment
- ✧ Dental Scaling
- ✧ Personalised self-care advice on oral care
- ✧ Fluoride application as risk-based follow-up
- ✧ Check-up report

Adolescents and parents interested in participating in the Scheme can refer to the list of professional dentists on the Pilot Scheme's website, select a dentist, and contact the relevant clinic to book an appointment for the subsidised service.
