Dear Parents,

1 New Arrangements for Special Holiday in March and April

Due to the severity of the pandemic, the Education Bureau has announced that secondary schools will have a special holiday from March to April. The School has made various arrangements in response to this change. Details are as follows:

- 1.1 Part of the summer holidays will be brought forward, starting from 7th March. After the completion of the core subject DSE examinations, classes from S1 to S5 will resume as usual starting from 3rd May (B2).

- 1.3 During the special holiday, in compliance with Education Bureau directions, the School WILL NOT remain open as per the arrangement during the online learning period. To reduce the risk of infection, parents should arrange for their children to stay at home during this holiday and the suspension of face-to-face classes. If individual parents encounter extenuating circumstances and need to arrange for the child to return to school, they should contact and discuss this with the School first.
- 1.4 The Parents' Day scheduled on 11th March, 2022 (Fri) remains unchanged. For details, please refer to Parent's Notice 21039.
